

Decking and balustrade system

DEKBOARD[®]

decking and balustrade systems

**Want to improve
your garden's
outdoor space?**

DEKBOARD[®]

Come rain or shine, this is your dream outdoor space, the place where you can set up your patio furniture and a small forest of pot plants, sunbathe, throw a party, or where you simply take off your boots before going indoors when the weather hasn't been too kind.

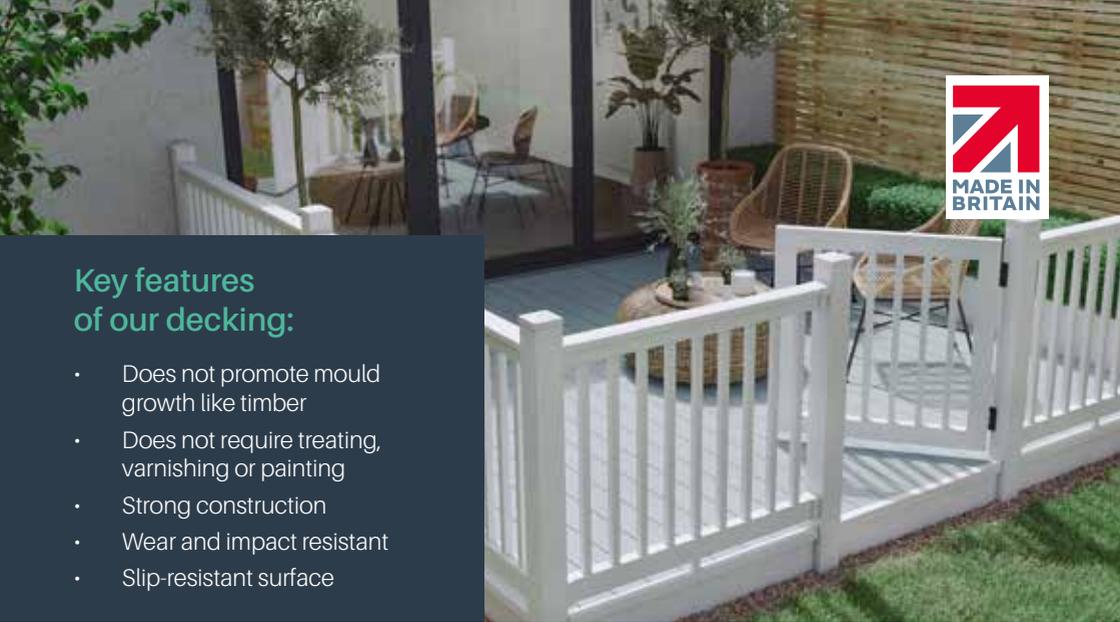

DekBoard, in partnership with our national network of authorised installers can help you create a low maintenance, modern decking solution for your property as an alternative to a wooden deck or patio.

You will be pleasantly surprised with both the install and ongoing operating costs! Get in touch today!

Key features of our decking:

- Does not promote mould growth like timber
- Does not require treating, varnishing or painting
- Strong construction
- Wear and impact resistant
- Slip-resistant surface

A DekBoard colour for all tastes

DekBoard, in partnership with our network of authorised installers can create your own amazing, purpose designed outdoor deck for rest, play and getting together with friends and family. We can provide a stylish, low-maintenance decking system that will increase the usable area in and around your house, allowing you to enjoy the outdoors and still feel safe, secure and in control of your own space.

Choose from our extensive palette of colours below to suit your outdoor space; whether it's a modern style, or a timeless classic, there is a DekBoard colour for all tastes: Anthracite Grey, Luna Grey, Dark Oak, Light Oak, Driftwood and Moss Grey. We also offer a range of different balustrade and glass options.

Contact us today and we will put you in touch with one of our experienced authorised installers across the country.
